

Primary PE and Sport Premium Funding 2023 - 2024

Here at Deeping St Nicholas Primary School we strive to provide our pupils with a variety of physical activities and opportunities to compete in sport to help embed values such as fairness and respect. We aim to ensure that all our pupils:

- Develop competence to excel in a broad range of physical activities
- Are physically active for sustained periods of time
- Engage in competitive sports and activities
- Lead healthy, active lives
(National Curriculum, 2013)

Those aims (above) remain much the same, but are somewhat compromised, given the covid pandemic.

Current numbers on roll; Reception – Year 6:	67 (Oct 2023 census)
Number of children eligible for Sport Premium:	57
Funding Received:	£16,510
Carry Forward (2022/23)	£ 5,218

Total Est exp	£19,617	

Impact

- Allocation of sports funding has enabled children to take part in a range of different sporting activities. It has ensured that children are active for longer periods and their engagement and enjoyment has increased.
- Playground equipment has given more opportunities for children to engage in active play at play and lunchtimes.
- Additional resources purchased support many of our vulnerable children that need to develop their physical skills outside of P.E sessions ensuring their individual needs are met in physical development. Resources within the EYFS have provided opportunities to enhance physical development with more children achieving greater understanding in this area.
- Sports coaches have ensured high quality teaching across all outside games and developed own staff confidence and professional development.

- Dance workshops through the academic year have given the children wider opportunities to develop their understanding of different cultures and faiths.
- Swimming instruction has led to a greater number of children reaching 25 metres
- Y3/4/5/6 42% can swim 25m or more
