THE ATTENDANCE TARGET IS 97.5%

Easy – Fundraising

We are delighted to report that we have received **£167.02** from Easy Fundraising so far in 2018. If you do make purchases online, this is an easy way to raise money for the school that costs you nothing extra. You can even raise money on comparison sites for insurance renewals and holiday bookings. Thank you to the new families who have joined this term. Further information is available in the office if you wish to join.

Parent Hub

If you are still experiencing problems with Parent Hub, please contact Mrs Ecob in the office or Parent Hub directly as they can help to sort things out.

Coats

Please remind children that they need to bring their coats to school each day. The weather is very changeable at this time of year and it can be cold on the playground as the wind whips across the open fields.

Homework

Please support your children's learning by ensuring that they complete their homework and hand it in on the right day. Teachers set the homework to allow good time for it to be completed and also time for it to be marked. We see some excellent examples of work that has been produced at home with a great deal of care but a number of children are handing in work late, with little or no care taken over it or not attempting to do it at all. Please talk to teachers if there is a problem but the expectation is that in normal circumstances a week should provide plenty of time to complete the tasks set.

Scooters, Bicycles and Toy Prams/Pushchairs

We fully appreciate the need to make the walk to school enjoyable for children and can see that the addition of Scooters, Bicycles and Toy Prams or Pushchairs to the journey make it fun. However, please do not encourage children to use these on the playground and park them up safely out of the way on arrival at school. There have been a few near misses this last week and we want to prevent accidents from happening.

Y1 and Y2 Mini – Olympics

Please make sure that you have returned your permission slips as the children are setting off on Wednesday to take part in their first competition. They will be accompanied by Mrs Manders – Jones and Miss Gilbert, a parent governor volunteer. **Please ensure that all children have a packed lunch.** We hope that the children will enjoy the experience and a winners' medal could make it even better.
