INVITATION TO SEE CHILDREN’S WORK

Thank you to everyone who was able to come and share their children’s books in school last week. It makes such a difference to children’s self – esteem and confidence when they recognise that their work is valued by everyone. The children’s work will be coming home very soon, so please do not worry if you were unable to visit last week – you will be able to have your very own celebration at home.

GARDENS IN BLOOM

We may not have the beautiful manicured gardens of some of the houses in the village that will be on display next weekend, but, thanks to the sterling efforts of Mrs Ecob, the beds at the front of the school now look much more loved. Thank you from all of us. Mrs Ecob has not accepted payment for the plants so this was a real labour of love.

SCHOOL TRIP

Permission slips and donations must be back in school by the 7 July 2017. If you are able to return them earlier we would very much appreciate it. We need to make arrangements for the children who, for a number of different reasons, will not be going on the trip and so we need to know the numbers. The children not taking part in the trip will be expected to attend school on Friday 14 July as normal but will require a packed lunch as no hot lunches will be served.

LEAVERS ASSEMBLY

We always like to invite everyone to share in our leavers’ assemblies at the end of the school year but our space is limited. This year, we have 13 children leaving and so we hope that you will appreciate that we must give the families of these children priority to attend. If every child in Year 6 brings just two people then the hall will be full. The safety of everyone has to be our priority. Much as we enjoy catching up with them, if you know of any ex – pupils planning to attend, perhaps you could make them aware that unfortunately there will be no room for them this year unless their sibling is leaving.
