Drama Workshop

Everyone has agreed that the Act 11 workshop on Tuesday was a great success! The enthusiasm it generated has had a big impact on the attitude of the children who are singing and acting with renewed vigour! We hope that you have not heard the songs so often that you are hearing them in your sleep. We are!

Christmas Productions

A hard copy of the letter requesting tickets is going home with children today - please search for it in their bags and returned it filled in and signed. We need your signatures to show that you have agreed to our policy for taking photographs at the productions.

Christmas Raffles

The time has come to gather raffle prizes for our School Productions. This is a good opportunity to take advantage of “buy one get one free” offers or recycle any unwanted gifts. If you are recycling, please check the dates. This is our biggest fund – raiser of the year and will provide the school with funds to support learning activities for the children.

Lec Fridge to spare

We have a Lec fridge that we no longer need. It would not come with a guarantee but it was PAT tested in September and was working well – we have changed it for a bigger fridge freezer. If you are interested, there is no charge but a donation to school fund would be appreciated. It would need to be collected as we have no means of delivering it. Please see Mrs Ecob if you are interested.

Scholastic Book Fair

A reminder that the Scholastic Book Fair will be open at the following times:

Wednesday 5 December 8.45 – 9.15 am 3.15 – 3.45 pm

Friday 7 December 8.50 – 10.00 am 3.15 – 3.45 pm

We will ensure that children travelling to school by taxi have the opportunity to buy books from the fair if they have money to spend.

Sporting Tournaments

A reminder that KS1 children will take part in a Throwing and Catching Tournament on Wednesday 5 December and KS2 children will take part in a Kibaddi Tournament on Wednesday 12 December. Both groups should attend school in PE Kits and will need a packed lunch. Permission slips will be sent home shortly.

Scrabble Challenge

Many people play Scrabble at this time of year, but how many know that you can play Scrabble competitively in World Competitions? We will be having a trial Scrabble session for children in KS2 later this week with a view to running an After School Club from January. Judith Britten has trained young people to competition standard all over the world and she is keen to share her expertise with us. Imagine what it would be like to be able to represent your country playing Scrabble – if you have the desire to learn and time to practice, that could be you!
