Welcome Back

We hope that you all enjoyed time with your families. I am sure that many children will have been delighted by a whole range of Christmas gifts that give them access to the internet. Although this can be a great tool for learning, the children can easily put themselves at risk of harm. It may be worth accessing the site <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/> to make sure that you have all security measures in place to keep your child safe. A summary of their advice is:

The internet is amazing. Children can play, learn, create and connect - opening up a whole world of exciting possibilities. But how do you keep track of what they're doing and make sure they're staying safe? Whether you're an online expert or you're not sure where to start we've got 4 key tips help you:

- explore the online world together
- talk to your child about staying safe online
- manage the software and tools your family use
- agree rules about what's ok and what's not

School Study Theme

Our Study Theme this term is Anglo Saxons for the whole school. This will enable children to make comparisons with their previous knowledge of the Vikings and the Romans forging important links in learning.

School Trip

We have made plans to take the children to an Anglo Saxon Village and Museum near Bury St Edmunds at the end of the month. We have learned so much from visitors to school but the opportunity to see how Saxon children would have lived in a real village was too good to miss. Permission to take part will be required and we would appreciate a voluntary contribution towards the cost. Once again, the actual cost of the trip will be heavily subsidised in the hope that more children will be able to take part. A letter with further details will be sent home this week.

School Uniform Order

If there are any of you who would like to order more uniform, Mrs Ecob will be placing an order on Friday 13 January 2017. Please contact her for an order form if you are interested.
