**THE ATTENDANCE TARGET IS 97.5%**

It is easy to see the effects of holidays taken in term time and illness in the figures this week.

### OFSTED REPORT

Thank you for all your kind comments - many of which were made directly to Ofsted. We were so pleased that the strengths of the school were recognised and that we can now say that Ofsted have said that we are a good school. Although the school does not access Facebook, I understand that many people commented that they were pleased with the Ofsted Report but that they had always known that we were a good school and didn't really mind what Ofsted said! Thank you all, anyway.

### MR WINN

Mr Winn has decided that he needs to move forward with a new challenge in his career and so he will be moving schools in September. We have known Mr Winn since he was a trainee teacher and so it is quite right that he should be ambitious for his future and want to move on to another school. We are delighted for his success but will obviously miss having him here with us. He has always been very popular with children alike and we know that everyone will wish him well at his new school.

We are advertising his position today and hope that we will have appointed a permanent teacher by the middle of September. Plans are in place to find a temporary replacement to cover in the short term and rest assured that this person will have all the necessary DBS checks and will have to meet our high standards before they join our team.

### END OF YEAR REPORTS

These will be sent home with the children on Friday afternoon, so please check book bags at the end of the day. There is a covering letter and a feedback form for you to fill in. The attendance will cover the period from September 1 2015 to July 1 2016 as it is not logistically possible to have all the reports prepared in an afternoon with the latest attendance figures. Children in Year 2 and Year 6 will also have notification of their SATs results and teacher assessments.

### PUPIL PROGRESS BOOKLETS

It is hoped that these will be available on Friday 15 July. Once again, the attendance will be until 8 July 2016 if we are to distribute these before the end of the year. When the new Pupil Progress Booklets are produced in September, these will reflect the attendance for the whole of the academic year.

### SPORTS DAY WEDNESDAY 13 JULY 2016 FROM 10.00 AM TO 11.30 AM

**PLEASE BRING YOUR OWN SEATS OR BLANKETS TO BE COMFORTABLE ON THE GRASS.**
