**THE ATTENDANCE TARGET IS 97.5%**

#### DEN BUILDING DAY

We do hope that you have visited our website to see the photographs which demonstrate what a great time the children had on Wednesday. The day provides so many learning opportunities: technology, mathematics, physics, speaking and listening, team building, leadership, resilience, working to deadlines and learning from mistakes – all this whilst the children have such fun! Children who took part in June had remembered the problems that they encountered and used these to build improved structures this time around. Last time, most dens collapsed under the pressure of the water; this year all the dens remained standing! Our children are so fortunate that we have the space and the vision to provide such worthwhile experiences.

#### COMMUNITY ASSEMBLY

This will take place on Friday 14 October at 2.30 pm. Entrance to the hall will be via the Ivatt Suite Door at the front of the school. Additional parking will be available on the playground so please keep the side gates clear. The assembly will demonstrate the broad achievements of the children during their first term. Everyone is welcome.

#### NON – UNIFORM DAY

This will take place on Friday 21 October – the last day of Term 1 - and children who do not wear uniform will be asked to make a donation to the charity supported by Lauren Day when she runs the London Marathon next year – Whizz Kidz. Please note that this is **not an opportunity to wear fancy dress costumes, football kits or other uniforms**; children should wear ordinary, comfortable clothing that is practical and safe to wear in school all day.

Children who do not wish to take part and make a donation should attend in school uniform.

#### PUSH CHAIRS

We would be most grateful if you would not bring push chairs into the school cloakroom area in the morning. The space is very limited and we are concerned that children cannot move around safely. There are now 65 children on roll and they all need to be in this area at this busy time. We understand that you would not wish to leave younger siblings unattended whilst you take older children into school but there are responsible adults outside who would happily keep an eye on the push chair for the few minutes that it takes. Thank you for your cooperation.
