E Learning Activity Day

As a part of our Internet Safety Awareness Raising we will be holding an E Learning Activity Day on Tuesday 14 March 2017 for all children to take part. There will be lots of drama and mask making but also an important message about keeping yourself safe whilst you are using the internet.

Parents’ Assembly

Please feel able to come and see the outcomes of our children’s efforts in our E Learning Assembly at 2.20pm on Tuesday 14 March. Parking will be available on the rear playground as usual. AFTER SCHOOL GYMNASTICS WILL TAKE PLACE AS USUAL so all help putting away the chairs at the end of the assembly would be greatly appreciated.

Parental Checks

This is a good time to be reminded of the importance of keeping a check on the electronic devices that your children use at home to make sure that they are keeping themselves safe and acting responsibly. It is difficult to stay ahead of the improvements in technology but the damage that can be done to our young people through the inappropriate use of social media usually features in the newspapers when it is too late. Without our help, our children can be a target for unwanted attention at all hours of the day and night and FOMO – Fear of Missing Out – makes it very hard for them to resist joining in.

Year Six Parents SATS Meeting

Mrs Sandalls would like to explain the format of the SATs papers to Year 6 parents. They are very challenging! She will be leading an information sharing session on Friday 17 March at 2.30pm.

Red Nose Day

We have taken the decision that we will not be dressing up for Red Nose Day on Friday March 24 as we have recently celebrated World Book Day in spectacular fashion. There will be a collection plate for those children who wish to make a donation and are not sure where else they will be able to donate, but there is no obligation to do so. Many supermarkets are giving families the opportunity to contribute – for example a scratch card was offered at the point of paying for the weekly shop recently. We have other plans for the day. Please read on.

Mothering Sunday Assembly

We will be celebrating the importance of the person who provides the mothering in our families on Friday 24 March with a Community Assembly at 2.30pm. Everyone is welcome.
