THE ATTENDANCE TARGET IS 97.5%

SATs - Standard Attainment Tests

These will start promptly at the beginning of every day from Monday 14 May to Thursday 17 May inclusive. It is important that children arrive on time so that tests are not delayed. Staff will need to be in classes to take registers promptly to ensure that children can be organised into the right groups. Please be mindful that the children will be in the hall taking the tests and reduce noise levels outside accordingly. Your cooperation is appreciated.

Volleyball Competition 23.05.2018

We have been invited to take part in another competition against other local, small schools. There will be a team of 6 players and 2 reserves from each of Miss Williams' and Mrs Sandalls' classes. The same company, Sport2day are organising the competition. Children will need to take a packed lunch but the event will take place during the school day and will not affect collection times at the end of the day.

Sports Coach Work Experience

Lauren Day will be accompanied by a young coach on work experience for the next two weeks. Lauren will be with her at all times. Safeguarding checks will have taken place before the first lesson.

Car Park Safety

Please supervise children in the car park carefully and encourage them to use the path to get to the school gate rather than running across the path of vehicles. There have been a number of near misses recently when children have rushed out of the car or to the car straight into the car park and drivers have had to take preventative action to avoid them.

Collection Times

The times for the end of day collection for a few children have been getting later and it has been as late as 3.40pm before some children are collected on a regular basis. Please ensure that your children are collected by 3.15 pm. In the event of an emergency, please ensure that you ring the school so that we are aware of the estimated collection time.

Uniform Order

Mrs Ecob is preparing another uniform order. If you would like to order, please ask for a form and return it to her by 23rd May 2018

Enhance your school uniform with a badge

There is another opportunity to wear something unusual with your school uniform coming up on Friday 25 May 2015. You are invited to make a badge which represents something that you care about and would like everyone else to know. Perhaps a sports team, musical artist, or a good cause.

School Disco

There will be another school disco on Thursday 24 May from 5.00 – 6.30pm. If you would like to attend, please complete the form below:
