THE ATTENDANCE TARGET IS 97.5%

SCHOOL PHOTOGRAPHS

You are able to order photographs online, but if you would prefer to send the order forms into school for collection by Wrates Photographers, please do so by 6 October 2016.

DEEPINGS LIBRARY EVENT

Julia Jarman will be coming back to The Deepings Library on Saturday October 15th at 1.30-3.30pm for a “meet the Author Event.” Julia will be talking about her magical book, Pillywiggins, which is set down Eastgate in DSJ, and for which she had the inspiration when she was a young girl looking at the trees in her Grandma’s garden. She will also be reading from some of her other books. Places will need to be booked in advanced as the event takes place outside library opening hours- it is not a drop in type session.

TRIP TO VINE HOUSE FARM

Children in Mrs Manders – Jones’ Class will be visiting Vine House Farm on **Tuesday 27 September**. They will be collected by Mr Watts in his tractor and trailer. This visit has been re – arranged from the planned visit on 13 September which was cancelled. If you have already filled in a permission slip and returned this to school there is no need to complete another.

THE DEEPINGS SWIMMING CLUB

We have been asked to signpost Deepings Swimming Club. Deepings Swimming Club celebrates its 40th anniversary this year and, following the huge successes of Team GB at the Rio 2016 Olympics and Paralympics some of your pupils may have been inspired to start swimming competitively. They’re looking to grow the club and always welcome new members. Request a free trial by calling Martyn Reynolds on 01778 344653 or by visiting the club website at www.deepingsscc.co.uk As always when the school signposts community groups, please make your own safety checks to satisfy yourself that the Club meets your personal requirements before joining.

OUTDOOR LEARNING AREA

We are always looking for ways to acquire funding for our Outdoor Learning Area. Mrs Ecob has been advised that letters from parents in support of the project, or plans drawn by children for their ideal Outdoor Learning Area may encourage sponsors to consider out bids. If anyone feels able to do either on our behalf we would be most grateful.

HEADLICE

Please check for lice or nits as we believe that we have seen a few in school this last week. Combing the nits and lice out, though time consuming, is very effective.
