Dear Parent/Carers

RE: Weekly Enhancement Activities

Recently, we sent home this term's after school 'activities' timetable. Since its release, there has been some conversation regarding not providing an activity for our younger children, on Wednesdays.

Whilst the school works hard to provide these activities, it is sadly not always possible to fill the Monday – Thursday slots, for all year groups.

That said, with the help of one generous parent, there is a possibility that an activity for our younger children, on Wednesdays, could be offered; details to follow.

If you could similarly support the school and our children, by offering an activity (resourced by the school) please get in touch – you could inform teachers or simply let the office know; any additional offers of support could then be considered for future terms.

Also, it appears that after school child care arrangements, locally, can be difficult. If there are any parents/carers that experience this, perhaps they could contact the school, to see if we can support each other by creating some informal type of child care arrangements.

Thanking you in advance.

Yours sincerely,

  
Mr T W Emery  
(Interim Headteacher)
