

DEEPING ST NICHOLAS PRIMARY SCHOOL ACCESSIBILITY PLAN 2016 - 17

This policy should be read in conjunction with the following policies;

Special Educational Needs and Disability (SEND) Policy

SEND Code of Practice (June 2014)

[Equality Act 2010](#)

Legislative Compliance

Whilst no longer in use The Disability Discrimination Act, UK parliamentary act of 1995, makes it unlawful to discriminate against people in respect of their disabilities in relation to employment, the provision of goods and services, education and transport. From 1 October 2010, the Equality Act replaced most of the Disability Discrimination Act (DDA). However, the Disability Equality Duty in the DDA continues to apply. The Equality Act 2010 is the law which bans unfair treatment and helps achieve equal opportunities in the workplace and in wider society. It now gives people with disabilities rights in the areas of:

- employment
- education
- access to goods, facilities and services, including larger private clubs and transport services
- buying or renting land or property, including making it easier for people with disabilities to rent property and for tenants to make disability-related adaptations
- functions of public bodies, for example issuing of licences

The legislation requires public bodies to promote equality of opportunity for people with disabilities. It also allows the government to set minimum standards so that people with disabilities can use public transport easily.

Definition of Disability:

'A person has a disability if he or she has a physical or mental impairment that has a substantial and long term adverse effect on his or her ability to carry out normal day to day activities.'

The purpose and direction of the school's plan: vision and values

At Deeping St Nicholas Primary School we are committed to giving all of our children every opportunity to achieve the highest of standards. We do this by

taking account of pupils' varied life experiences and needs. We offer a broad and balanced curriculum and have high expectations for all children. The achievements, attitudes and well-being of all our children matter. Deeping St Nicholas Primary School promotes the individuality of all our children, irrespective of ethnicity, faith, attainment, age, disability, gender or background.

Our school strives to be an inclusive school and this is reflected in our shared vision 'Together we can make a difference' and school aims. We actively seek to remove the barriers to learning and participation that can hinder or exclude individual pupils, or groups of pupils. This means that equality of opportunity must be a reality for our children.

We define equality in line with the Equality Act 2010 and recognise the following protected characteristics;

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race
- religion or belief
- sex
- sexual orientation.

The main priorities in the school's plan

We take all advice, guidance and support needed to ensure we meet the needs of children and adults with disabilities or those who require alternative access arrangements permanently or for a fixed term.

The action plan ensures that:

- The school draws on the expertise of external agencies to provide specialist advice and support.
- The SENDCo has an overview of the needs of disabled pupils.
- There are high expectations.
- There is appropriate deployment and training of learning support staff.
- Successful practice is shared within the school.
- The school works with schools.
- Disabled pupils have access to extra-curricular activities.
