

# Your VILLAGE needs YOU!

## Deeping St Nicholas DEFIBRILLATOR FUND

If **you live** in the **village**, please **HELP!**

A **bank account** has been set up to raise funds to install a much needed defibrillator. These devices are a **life line** in emergencies where **every** second counts. Make your **donation** count and make a difference by allowing these vital machines to be installed in **YOUR** village.

None of us know when we might be so **grateful** that they are available.

The plan is to install **at least one** either side of the railway crossing.

They will be available for **24/7** use.

**HELP** us to **make a difference** now.

**Any** donation will be **gratefully** received, no matter how large or small.

If you wish to join in and contribute, the details are as follows:

**Payee is Barclays Bank Plc**

**Description is your name**

**Reference is Defibrillator Fund**

**Sort Code is 20-63-28**

**Account Number is 60277827**

**This donation can be made via online banking or at any Bank or Building Society.**

A paying in book is also available for cash donations from Mick White, 9 Barley Grove (on the new estate)

Updates posted regularly on the Deeping St Nicholas Chatter, Facebook page
